**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who chooses a small internet company, Sonic.net, that delivers me a superior product. I have been loyal to them for 8 years, first on DSL, and now on Fiber. I appreciate competition and choice. Sonic uses unbundled copper and inter-city fiber transport elements (UNEs) to compete in the residential marketplace. USTelecoms claim is false. I exist, and I would be "materially affected".
